	Baby B	59409-59	Delivery Only - Vaginal
VBAC	Baby A	59610	Global Service - VBAC
	Baby B	59612-59	Delivery Only - VBAC

Only one global delivery code is billed for Baby A. The mother had only one antepartum period and one postpartum period

Twins Delivery By Cesarean

Cesarean Delivery	Baby A & Baby B	59510-22	Global Service - Cesarean
Repeat Cesarean Delivery	Baby A & Baby B	59618-22	Global Service - Cesarean

Only one global delivery code is billed for Baby A & Baby B. The mother had only one antepartum period, one incision, and one postpartum period. Modifier -22, Increased Procedural Services, is added to indicate the additional physician work.

Twins Delivered Vaginally and By Cesarean

Vaginal Delivery + Cesarean Delivery	Baby B	59510	Global Service - Cesarean
	Baby A	59409-51	Delivery only - Vaginal
VBAC + Repeat Cesarean	Baby B	59618	Global Service -Repeat Cesarean
	Baby A	59612-51	Delivery only - VBAC

The global delivery code for the cesarean/repeat cesarean for Baby B is reported first on the claim form since this code is valued at a higher rate than the vaginal delivery only code.
